Dear Mr. Gonzalez:

Intermedia Communications Incorporated Orlando Field Operations Department has been utilizing your electrical services since February of the year 2000 in support of our Unified Voice product. We have also utilized your services in the maintenance of our hub sites throughout Central Florida. I would like to take this time to commend your company for the outstanding services you have provided us during this year. Your ability to respond to our needs on a moment's notice has allowed us to provide outstanding customer service. Your services have been reliable, cost effective, and efficient. Because of this, Intermedia Communications Inc. will continue to call on Comelco Electric to meet our electrical and telecommunications needs in the future.

I recommend your company as one of the best electrical contractor in Central Florida.

Sincerely,

Jose M. Colon  
Applications Engineer , Orlando Field Operations
