Dear Mr. Mikolajewski:

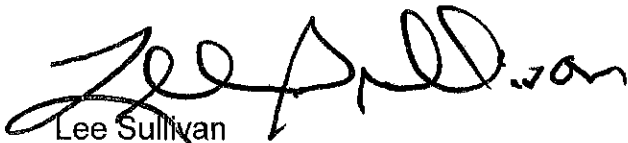

This letter is in response to your July 19, 2013 inquiry, which was received in our office on July 29, 2013. Your letter, among other things, asked questions related to contract number HSBP1011C00082 with Comelco, Inc.

The contract was awarded in September 2011 for the Facility Power Upgrade at the U.S. Customs and Border Protection National Law Enforcement Training Center in Orlando, Florida. Your letter references bond number 964117141.

Comelco has completed all performance under the contract and the Government accepted the work in December 2012. Comelco's work was performed within the acceptable schedule, within budget and within the requisite quality. If possible, and if the circumstances allow, we would work with Comelco again. The total amount of the completed contract is \$3,390,816.64.

If you have questions, or need additional information, please contact Ms. Diana Pawlicki on 317-614-4588 or via email at diana.pawlicki@dhs.gov.

Sincerely,

Lee Sullivan
Contracting Officer
